

Sumpter Township
Planning Commission Meeting
Minutes
October 11, 2012

Meeting called to order by Chairman Stalmack at 7:00 pm showing present: Borden, Taylor, Clark, Cichewicz, Stalmack, Swinson, Oddy, Chudzinski, Hoffman. Also present: Deputy Clerk Hurst, Planner Cripps and 1 resident.

Motion by Swinson, supported by Oddy to approve minutes of regular meeting September 13, 2012. Motion carried unanimously.

Planner Cripps spoke and stated that the petitioner was not going to be present that she spoke to him and he is available by phone if necessary, he is from Travers City, MI. She did not feel it was necessary for him to travel down for a 5 minute presentation when she would give the commission her findings. The commission was in favor of the site plan presented by the planner. A T & T would like to erect a shed and antenna on the property located at 22570 Sherwood which has an existing cell tower. The plans were submitted and they will get a building permit to build the shed. The planner has no problem with this; it is in compliance with the existing parcel.

Motion by Swinson, supported by Cichewicz to approve the site plan for A T & T at 22570 Sherwood. Motion carried unanimously.

Discussion starting with Article 10 on the proposed zoning ordinance. We are to the end and the planner stated that the next step would be to get another copy of the ordinance with all the changes that were discussed to all the members and to set a public hearing to hear comments from the residents then, send to the township board for the final decision.

Motion by Hoffman, supported by Swinson to adjourn at 7:50 pm. Motion carried unanimously.

Respectfully submitted,
Esther Hurst
Deputy Clerk
